## KCC Enrollments Increase While State Aid Decreases

Michigan's recession has been bittersweet for Kirtland Community College.

Governor Blanchard's recent deferment of state aid to colleges may cost KCC \$240,000 in revenues, yet the poor economic climate in the state helped boost the community college's winter enrollment up 10 percent from last year.

KCC, only one of five community colleges in the state operating on a one-mill property tax levy, relies more on state aid than 24 other community colleges which have higher local millages.

Despite the large deferment in state aid that is expected to turn into a cut, KCC enrollment climbed. Dean of Students William Ingleson said KCC is attracting a large number of "reverse students" - students from four year colleges who are coming back to KCC because of Kirtland's low tuition. Normally, students attend the community college for one or two years and then transfer to the four-year institutions.

## Hanson Hills, Skyline In Full Swing

After weeks of uncertain conditions, skiing is underway in full swing at Hanson Hills, west of Grayling, and Skyline, south of Grayling.

At Hanson Hills, all five lifts will be operating with good conditions expected on all slopes following Tuesday's snowfall. Barring another unusual turn in the weather, all 30 miles of cross-country ski trails are expected to be tracked in anticipation of a big turnout of skiers this weekend in connection with the Hanson Hills Poker Run.

At Skyline, downhill ski conditions are reported to be excellent with 8-10 inches of base on the slopes before Tuesday's snowfall. All the hills are groomed and 11 rope tows along with a double chair lift will be operating this weekend. During the week five tow ropes and the chair lift are in operation and night skiing is offered Wednesday, Saturday, and Sunday.

At Hanson Hills, night skiing is offered Monday night for adults and Thursday, Friday and Saturday nights. Nine slopes are lighted and one mile of cross-country trails are also lighted.

## Stephan Receives Defense Contract

A small business in Grayling, is benefiting from defense contracts awarded by the Defense Construction Supply Center (DCSC) of Columbus, Ohio. The Center announced today the award of a contract for \$25,637 to Stephan Wood Products, Incorporated, 605 Huron, 49738, which will produce stove bows for use by the U.S. military services.

Nearly four out of five DCSC contracts - and over half of the Center's purchase dollars - go to small and minority - and woman-owned businesses. DCSC is a field installation of the Defense Logistics Agency, Washington, D.C.

Anyone Can Win!

## Second Annual X-C Poker

### Run at Hanson Park Sunday

The Second Annual Cross-Country Ski Poker Run will be held this Sunday, January 30 at Hanson Park. The race will get underway at noon and participants may start the race anytime between noon and 2:30 p.m. Entry fee for the race is \$5.00 for all participants.

The unique thing about the Hanson Park Poker Run is the fact that you do not have to be an expert skier to win, everyone has an equal chance regardless of ability. Prizes for the run will be cash awards for the first three places.

The course for the Hanson Park Poker Run will be a three and one half mile loop on the groomed cross country trails. The course is a gently rolling course with only one hill to negotiate. On the course there will be 5 checkpoints. At each checkpoint, each participant will draw an envelope containing a playing card. When the racer checks back in at the judges station, the envelopes will be opened and the winner determined by the best hand.

## B & E's Reported at Camp Margrethe

Ten breaking and enterings were reported last week at Camp Margrethe, located off Grayling Ave. along Lake Margrethe.

An unknown quantity of household items were taken in the breaking and enterings. Anyone seeing persons in the area on Monday, Jan. 17, are requested to call the Crawford Co. Sheriff Dept.

A house fire was contained to the attic by the Grayling Fire Dept. at the residence of Scott and Patti Hanson in Karen Woods.

The fire started from the use of heat tapes to thaw out frozen water pipes. The fire, reported at 9:42 a.m. Jan. 20 caused minor damage to the building structure.

Area firefighters urge dwellers to use caution when thawing frozen pipes and water lines.

Two car-deer accidents were among seven property damage accidents recorded in the county last week. Deer still are in the move in the woods as snow levels aren't high enough yet to confine deer to yarding areas.

## Range Firing Conducted

Range firing will be conducted at Camp Grayling during the period 25-29 Jan. and 1 Feb. 83.

Firing will be performed in the following range area:

The Range 40 Complex located north of County Rd 612, east of Guthrie Lake, south of Old State Rd 618 and west of County Rd F37.

The range will be closed to the public during the period 25-29 Jan and 1 Feb. 83 and all persons are warned to stay out of the area identified.

# 22% of County Receiving Welfare

By Jon Thompson

Approximately 22 percent of all Crawford County residents received some type of public assistance during December, 1982.

Beverly Cuthbert, director of Crawford County Dept. of Social Services office, said in December 562 households received food stamps, 271 families received Aid to Dependent Children, and 73 persons or families received general assistance benefits.

Out of the 562 households, 272 were also receiving either ADC or general assistance.

Dollar value of the food stamps given out in the county during December was \$74,380. ADC

and general assistance payments totalled \$142,398.

The number of persons receiving state aid in the county was about the same a year ago in December, 1981. The same total of households, 562, were receiving food stamps, 279 families received ADC, and 70 persons received general assistance.

The total of money given out, however, increased by about \$35,000 in 1982. Food stamps, given out to the same number of households in both years, increased by more than \$22,000.

The state approved an increase in the amount of food stamps beginning in October, 1982. Cuthbert said most people don't think of

welfare in this way but the increase in food stamp allotments in October increased buying power in Crawford County since most of the food stamps are spent in stores here. She said this is one of the few ways our tax money is returned directly to the county.

Public assistance drops slightly in the county during summer when employment figures traditionally rise. In July, 1982, 52 persons obtained general assistance - the state aid connected closely with unemployment - compared to 73 persons in December, 1982. ADC payments were received by 257 families in July compared to 271 families in December.

## Were the 50's this Funny?

The Grayling Rotary Club will revisit the 1950's on stage January 27-28 when they present the 1983 version of the Minstrel Show.

Jovial Mike Branch will lead his troop of skit experts through such humorous extravaganzas as Elvis the pelvis, Superman, and Mouse Ka Teers. The troop will provide their impression of a motorcycle gang and show the audience a doctor's operation.

The leader of the chorus George Stencil, who commands the respect of all his harmonizers, will lead his group in many 50's

classical renditions. They include such memorable selections as "Come Go With Me", "See You In September", and "Let The Good Times Roll".

The Joseph Stripe Auditorium will once again be the scene of the frolicking show that takes a good natured swipe at anything and anybody in the area.

Tickets for the affair will be \$3.50 and are available from any Rotarian or from The Grayling Mercantile, Crawford AuSable Schools, Mac's Drugs, Moore's Automotive, City offices, Northland Appliance, Southend Total, Grayling Window and Door, and the County Treasurer.

## No '83 Summer Taxes For South Branch Twp., Or Half of Beaver Creek

by Jon Thompson

Residents in South Branch Township and the western portion of Beaver Creek Township will not switch over to summer school taxes in 1983 like the rest of Crawford County.

All of South Branch and part of Beaver Creek is included in the Gerrish-Higgins School District which has decided not to ask for summer tax collection this year.

Instead, the school district will hold a special dinner meeting March 2 for township officials, county officials, and anyone else connected with tax collections in the area to discuss summer school taxes for 1984.

The Crawford AuSable School District elected to collect one-half of school taxes in the summer of 1983 and the other half in the winter. South Branch and Beaver Creek residents in the Gerrish-Higgins School District will still pay their taxes all at once in the winter for 1983.

Superintendent Hans Lantzsich said Gerrish-Higgins wants to go slow and examine all the facts involved in summer tax collections. They want input from the townships, who will probably be collecting the taxes, and they didn't want to rush into any new tax collections with the economy really hurting in their

district. Many northern schools have decided to go with summer collections splitting tax bills into two for summer and winter payments in order to save money on loans. Normally school districts have to borrow money to operate from September until December when tax funds begin coming in. Gerrish-Higgins, operating on a \$3.5 million budget for 1982-83, had to borrow \$1.6 million this year at 11 percent interest. Paying back the interest will probably cost the school district \$80,000.

The new law allowing summer tax collections was signed in December and

## Appeals Board Hands Zoning Dispute Back To Principal Parties

by Jon Thompson

The county Zoning Board of Appeals agreed with an earlier ruling denying a special use permit for a firewood business in a residential area, but gave the woodcutter 30 days to work out a compromise with his neighbors.

Gary Wiegman, of Beaver Creek, was denied a special use permit Nov. 17 when the county zoning commission voted 5-0 against the request because nearby neighbors complained about the noise

from the woodlot operation. The three-man appeals board, comprised of George Rybicki, Paul Musselman, and William Rutter, Sr., ruled no error had been made at the November hearing but tacked on the 30-day provision in an effort to keep Wiegman working while protecting the rights of his neighbors.

The appeals board, which aptly handled the hearing Thursday, Jan. 20, involving statements and counter-statements from Gary and

Sue Wiegman, their lawyer Gerard Brabant, and neighbors Irene and Ken Wyman, gave Wiegman 30 days to work out a schedule for his woodlot operation with neighbors bothered by the noise.

Wiegman said at the hearing he was willing to go along with a total restriction of using a chain-saw at his property for his wood business. He said he usually cuts his wood in the forest or can cut wood into stove-

## Weyerhaeuser Adding 4th Shift

Weyerhaeuser has announced plans to add a fourth shift to their new Structurwood® mill in Grayling. This planned second phase of employment will add approximately 25 new people in the production and maintenance areas of the mill.

Ed Wyle, Human Resource Manager, stated that "all of the production and maintenance applicants were identified through the Grayling office of the Michigan Employment Security Commission. Over 200 people are participating in the same multi-step testing and assessment process used last year during the

initial staffing of the mill.

"The success of the Grayling mill depends on producing a quality, cost effective product. People make the difference and that is the reason we put so much emphasis on the selection process and on training and development programs," he said.

The change from three to

four shifts will start in mid-April after the new team members have been through orientation and training. Up to this time, the mill has operated on a ten day operating cycle with four down days between each operating cycle. The addition of the fourth shift will allow continuous operation of the mill which means a

significant increase in production and better utilization of Weyerhaeuser's investment.

Tony Moore, General Manager, indicated that "Market acceptance of Structurwood® has been excellent and current projections forecast a relatively fast recovery for the building industry, one of our prime markets. If inflation and home mortgage rates remain low, our markets should improve through 1983 and 1984. Taking advantage of this improved market is one of the major factors in the decision to move to a four-shift."

*"People make the difference and that is the reason we put so much emphasis on the selection process and on training and development programs."*

## Preparations Continue For Miss Grayling

Now that exams are over the Miss Grayling contestants can breathe a little easier. And, it's a good thing as the pace picks up in their preparations for the pageant. Twice a week the girls meet for dance and exercise sessions, make-up workshop and song rehearsal, and usually a social activity on Sunday.

Old Man Winter cooperated this past week

when the girls had a sledding party out at Camp Grayling and then were treated to dinner by the management of Wendy's.

In the plans for the next two weeks there is a mysterv trip for January 30th and a formal tea on February 6th at the home of Dr. and Mrs. Henig on Peninsular Avenue. Mrs. Henig has most graciously agreed to open her home to the girls

for several hours on Sunday afternoon. The Henig home was built by Rasmus Hanson around the year 1890 and is one of the most beautiful in Grayling. The girls and their pageant mom's will have a lovely tea as well as learning a little about Grayling's colorful history.

On Thurs., Feb. 3rd it's the pageant mom's turn to entertain, when they perform

for the contestants at the "Pageant Moms Fun Entertainment Night" at Norma Naours. Next week we hope to have the announcement of our special guest co-emcee for the pageant.

The week of February 7th the girls will be at the high school every night. Dress rehearsal will be Friday, and of course - the pageant on Saturday, February 12th.

## Chamber Hires PR Director

The Grayling Regional Chamber of Commerce Board of Directors has announced the appointment of Don Geiss as Public Relations director.

In the part-time position, Geiss will be responsible for promoting Crawford County through downstate, out-of-state, and nearby newspapers, radio, and TV stations.

Geiss has a B.S. Degree in Conservation Education and an M.S. in Educational Media. He has been as assistant professor of media at Michigan State, Slippery Rock State College, and Mansfield State College in Pennsylvania. He was formerly employed as a reporter for a northern Michigan weekly newspaper and presently covers local governmental news for WQON in Grayling.

He also has a weekly 15 minute radio program on WQON dealing with northern Michigan outdoor happenings, and has contributed articles and pictures to the

Crawford County Avalanche, Bay City Times, Four Wheel magazine, and the Midwest Outdoors magazine.

In referring to his recent appointment, Geiss said that it will be an interesting challenge to assist in attracting tourists and industry to the county. He said, "I have lived in the county for many pleasant years and hope to encourage new visitors to experience the happy life in this area."

## From Our Corner ...

The following is a guest editorial from the Bay City Times that appeared in their January 22nd, 1983 issue...we felt our readers may be interested in its content...

### Gas deregulation a license to plunder and pillage

If the Reagan administration's insistence on deregulation of natural gas is based on allowing the marketplace to determine a reasonable return to the industry and a fair price to consumers, it just isn't working.

More accurately, it isn't working in the public interest. Gas producers and pipeline companies are doing just fine.

Late last week two Texas pipeline firms that supply most of the natural gas that Consumers Power Company distributes in Michigan petitioned the Federal Energy Regulatory Commission for a price hike totaling \$994 million annually. Some 35 percent of Panhandle Eastern Corp., and Trunkline Gas Co. production goes to Michigan. The price hike would cost Michigan users some \$400 million annually beginning March 1.

Consumers, which is allowed to pass its energy costs along to customers after a hearing before the state Public Service Commission, estimated the price hikes would raise the average customer's annual bill by \$130. That falls on top of a 36 percent increase this winter that hiked the average bill from \$338 last winter to \$460 this winter.

The increases come with the gradual removal of federal price controls on gas. Under the existing schedule price controls will be completely removed in 1985.

Not good enough, says Reagan and several members of Congress from the gas-producing states. They are pushing for immediate deregulation.

No way.

Complete deregulation of the natural gas industry would amount to nothing less than a license to plunder and pillage. Not only would total deregulation be another devastating blow to Michigan residential users, but Michigan industry, already crippled in this miserable recession, would suffer horribly. More jobs lost.

Fuzzy phrases like, "free competition in the marketplace" and "getting government out of business" have no real meaning here. Deregulation of a virtual monopoly simply cannot work. Leaving the public unprotected from an industry that has no real competition leaves us at the mercy of those who are not likely to show any.

At the consumer level, there is no competition in the natural gas distribution business. We cannot pick and choose who we will buy gas from. Because of that, utilities like Consumers Power are regulated. There can be competition among the firms that supply Consumers, but because of long-term purchase agreements, arranged to ensure adequate supplies, that competition is in name only. And the pipeline firms that supply gas to the utilities are also allowed to pass their costs along.

Natural gas producers have been accused of selling high priced, deregulated "new" gas to the pipeline firms and capping the old wells where the price remains under federal control. We have no reason to doubt these reports. Pipeline firms have little incentive to comparison shop - they can pass their costs along.

The huge price hikes sought by the Texas firms that supply Consumers are based on their purchase of expensive liquefied natural gas from Algeria. The State of Michigan, Consumers and other groups have banded together in an attempt to end the purchase agreement that forces Michigan gas consumers to pay for the expensive Algerian gas. There are cheaper supplies available and no real shortage.

In short, deregulation isn't working. The deregulation theory purports to stabilize natural gas prices at fair competitive market value. It also is supposed to entice producers to develop more gas supplies and prevent a shortage.

If true competition existed - if gas customers could shop around for the best deal - deregulation might work. Under the industry-controlled system we now have it will not. At least not in the consumer's interest.

Goodnight T.J., Stefany and Amber and to all of our readers have a nice weekend...

The Underground All-Stars, Frederic's independent basketball team, got back to their winning ways last Saturday night as they topped the Mancelona Independents 75 to 60. This marks the forty-second victory for the All-Stars with thirty-nine of the wins coming in the Frederic gym.

Fred Bear, of Bear Archery Company, was a guest on the Mort Neff "Michigan Outdoors" TV show last Thursday. He gave a most interesting demonstration of archery shooting as opposed to rifle shooting, particularly with regard to a comparison in the penetrating power of both weapons, the arrow providing by far the greater penetration in the demonstration of shooting into a bag of sand.

Mr. and Mrs. Jim McClain are happy to announce the arrival of Randy Jay, a 7 lb. 1 oz. son born to them on January 20th.

Mr. and Mrs. Lawrence Hunter drove to Grand Rapids Friday to bring back their daughter Patricia home from Aquinas College at the end of her semester. Pat will be staying here until March 7th, when she will work as a practical nurse at the Traverse City State Hospital in connection with her teaching during her second semester.

Mitchell Hildebrand was 7 years old last Friday, the 22nd, and to celebrate the occasion his mother, Mrs. Clayton Hildebrand, invited in 12 of her friends for an afternoon of games. Janey Pettengill and Freddie Niederer were prize winners. The traditional birthday cake, chocolate milk, and ice cream were enjoyed by the youngsters, and they all listened to Kenny Roberts sing a "happy birthday" to Mitchell on TV.

Ann Haskel, Jan Henig, Marcia Sorenson, Billy Joseph, Mickey Stillwagon and Dave Blaha enjoyed skiing at Hidden Valley Ski Club in Gaylord last Thursday afternoon.

Mr. and Mrs. LeRoy Millikin and family visited Mr. and Mrs. Guy Feltman and family at Flint the Sunday before last.

On Wed., Jan. 20th, little Miss Marie Sorenson was 5 years old. Her mother, Mrs. Don Sorenson, gave a family dinner to which Marie's grandparents, Mr. and Mrs. Oscar Smith and Aunt Polly, were invited, also Mrs. Minnie Hartley, whose birthday is also on the 20th. Mrs. Hartley and Marie have celebrated several birthdays together. The day before, Mrs. Sorenson invited in five of Marie's little friends for supper, games and T.V. Marie was made very happy by the nice gifts she received on both occasions.

A delayed winter sports season opened in real earnest Sunday when two snow trains from Detroit came rolling in, pouring out their long rows of colorfully clad passengers. As usual there was a crowd of happy people, all ready to let loose in winter frolic. All the toboggans at the park are to be equipped with steel runners so that they will be speedier than ever. There has been a new improved

amplifier placed at the park so there will be music galore there from now on. It will be working tonight.

Mrs. Tatro is having the interior of her store building redecorated. Her son Clarence Weaver of Gaylord is doing the work.

Eight ladies responded to the invitation of Mrs. Emil Giegling for a bridge luncheon Wednesday afternoon. High score were held by Mrs. Willard Cornell and Mrs. Stanley Stealy.

Since last Sunday we have had some real weather, along with more snow than we have had any time this winter at one time. The temperature for a few mornings nipped one's ears. January 24 the mercury went to 8 below zero; January 26 it was 12 below, January 27, 11 below. This morning it was 18 above.

Mr. and Mrs. Carl Kraus (Ina Heredeline) and baby of Bay City visited at the Jonas Wirtanen home Sunday.

Mrs. George Granger and Miss Irene Randolph spent a few days in Lansing, returning Sunday.

Elmer Neal of Detroit visited here over the weekend. He was accompanied on his return by Ted Wheeler who is seeking employment in Detroit.

## The Bible Speaks

From Calvary Baptist Church

### Do Baptists Hate Other Religious People?

The words love and hate have different meanings today to different people. In the world, the word love is equated with sexual lust. In most churches today, the word love is equated with ecumenical unity. In natural contrast to these meanings stands the meaning of the word hate.

The Bible makes it plain that there is only one way to heaven. Jesus Christ said, "I am the way, the truth, and the life: no man cometh unto the Father, but by me." John 14:6. Personal faith in the person, work and word of our Lord Jesus Christ is the gospel of God's grace and the only way to heaven. Religious which teach salvation conditioned upon baptism, church membership, church sacraments, self-righteousness, good works and what have you, are sending souls to the eternal flames of a Devil's hell!!! Yes, we do hate all religious systems which preach false gospels and send lost souls into a Christless eternity of suffering and torment. We do hate false religions, but we love the lost people in them. Jesus Christ commands us to love everyone including our neighbors and enemies. Matthew 5:43, 44.

It is easy to tell the difference between hatred of a person and the hatred of a religious system. Hatred of a person always seeks harm for the person. This hatred for people may be shown by bombs and bullets as in Northern Ireland, or assassination of character or reputation, personal insults, and economic reprisals as sometimes found in America. Jerry Falwell is a national example of a man fighting against immoral principles, yet those who oppose him have threatened his life, attacked his reputation, and destroyed church property at Thomas Road Baptist Church.

Church affiliation today is largely based upon a false love called ecumenical unity which suppresses truth in the name of brotherhood. The present ecumenical movement is building the church of antichrist. "Even him, whose coming is after the working of Satan with all power and signs and lying wonders, And with all deceivableness of unrighteousness in them that perish; because THEY RECEIVED NOT THE LOVE OF THE TRUTH, that they might be saved." 2 Thess 2:9, 10.

My friend, the ecumenical crowd which appeals to you in the name of love cannot agree on how you can be saved, how you should be baptized, what major doctrines God's Word teaches or anything else important to your faith.

We at Calvary Baptist Church love the truth of the Bible and hate all error which opposes it. Even though we hate false religious teachings which send men's souls to Hell, we still love each precious soul even those who falsely accuse us and strive to discredit our love for truth and the souls of human beings. **Named To Dean's List**

Traverse City - Kevin James Bowden, of Frederic, has been named to the Dean's Honor List for Fall Term 1982 at Northwestern Michigan College.

The Dean's Honor List recognizes outstanding academic achievement of full-time students who do unusually well in their studies. Published at the end of each term, the list includes the names of those students who have achieved a current grade point average of 3.5 or above out of a possible 4.0.

**Grayling Elementary School News**

In Mrs. Benson's room there has been a lot of activities lately. In reading, she has groups of six to eleven. Some kids just took the test to go into level seven and eight. In math they are having multiplication races between the boys and the girls. And in spelling if they get 100 on their test Mrs. Benson gives them a treat. They also are having spell-downs in which they have 5-cent, 10-cent, and 15-cent words. In writing they are starting to connect cursive letters. They are also having team teaching between Ms. Johnson and Mr. Andrus in reading. By Jennifer Naour and Paula Nunn, 5th grade.

**New Games and Studying Hard**

Miss Johnson's third grade class has been practicing their cursive writing. Before Christmas they studied weather and now they're going to study transportation, or you could say, a way to travel. They got new games like Perfection and a Strawberry Shortcake doll for most girls but some boys can play with it. They also have a Kermit the Frog doll for most boys to play with and the girls may too. They got a frisbee and a nerf football. They have many new books that they got. All of these things they got were from Miss Johnson for Christmas. By Nicole Trenary and Terri Pottorff, 5th grade.

Mrs. Ingvarsson's class is learning the short vowel letters and sounds. They are learning a, e, i, o, and u. In math they are learning place values, ones and tens. In the soup label contest they are trying to win. Mrs. Mobarak and Mrs. Gorman are helping them with their work. They are also learning vocabulary words such as opinion, concert, habits, and directions. By Suzanne Hamilton and Paula Nunn, 5th grade.

**Services Held For Russell Dunlap, 70**

**La Leche League Meeting Notice**

If you have considered breastfeeding your baby, but have questions about this womanly art, contact the Grayling-Roscommon La Leche League. This month's meeting, "The Art of Breastfeeding and Overcoming Difficulties," will be held on Thursday, February 3 at 7:30 p.m. at 704 Ionia Street, Grayling.  
La Leche League tells a simple story about a simple, natural function. Emphasizing the joys of breastfeeding, it is designed to encourage and inform mothers who desire to nurse their babies.  
The meeting discussions include the latest medical research, as well as personal experience.  
Expectant mothers are encouraged to attend the series of meetings before the baby arrives. Babies are always welcome. For further information, or for breastfeeding help, call Carolyn Crist at 275-8431.

**Special Olympic Fundraiser Set**

For the second year in a row Vic Wertz Distributing Company will sponsor a 625-mile snowmobile endurance ride from Mt. Clemens to Mackinaw City to raise funds for the Michigan Special Olympics.  
The trip is scheduled to leave the Vic Wertz beer distributorship in Mt. Clemens on Monday, Feb. 7, and arrive in Mackinaw City on Saturday, Feb. 12 during daylight hours.  
Vic Wertz, former American League Slugger, will make the entire trip by snow machine this year.  
In addition to the riders raising funds, this year's ride is also being done in cooperation with the Michigan Lions Clubs.  
The route this year will lead the caravan to overnight stops in Bay City, Grayling, Sugar Loaf Mountain, site of the Special Olympic Winter Games, Gaylord, and Alpena.

### Solutions Being Offered To Solve Budget Problems

Warren M. Hoyt, Executive Director, MPA

New Democratic Governor James J. Blanchard has started to chip away at the state's budget problems with an indefinite delay on \$509.1 million in aid payments to local governments and schools over the next two months, and an overall freeze in state jobs.

Meanwhile, legislative leaders are calling for a unified effort by all involved to immediately solve the state's soaring budget problems of over \$750 million in deficits which could go as high as \$1.9 billion considering cash flow problems and past accounting procedures.

One leader, namely Senate Majority Leader William Faust of Westland, has gone as far as offering a solution by proposing a 43 percent increase in the personal income tax rate - from the current 4.6 percent to 6.6 percent. That proposal could raise an additional \$1 billion during the remainder of the current fiscal year.

Faust said that raising the state income tax is the quickest way to "pump money into the state coffers to shore up the quality of life in Michigan."

He added the state's grave economic situation demands that the Legislature take action to get the state's house in order so as not to experience bankruptcy or default and maintain the current bond rating.

Newly elected House Speaker Representative Gary Owen of Ypsilanti declared that Michigan faces the most difficult time in its history and called upon the Legislature to show courage to "do what we're elected to do...lead and represent the people and not to follow."

While the Legislature was posturing on possible tax hikes, Blanchard was taking the hiring freeze and

payment delay actions.

In making the announcement, he said the hold on aid payments will preserve options to reduce spending in those areas as well as give the state badly needed cash and the hiring freeze is only a preview of overall job reductions.

The governor said deferrals in other grant payments may also be necessary.

"I understand that the deferrals I have ordered may cause severe problems and I regret that. Nevertheless, I am absolutely convinced these steps are indeed necessary as the first steps in facing the budget crisis."

Affected in the deferrals are payments of \$67.7 million each on January 15 and February 15 to colleges and universities, \$14 million in degree grants to private colleges, \$216 million on February 1 for K-12 schools and \$33.2 million on February 1 to townships and counties and \$110.5 million on February 28 in revenue sharing to those units as well as cities and villages.

Only about \$55 million of the deferrals are constitutionally earmarked funds which must be eventually be paid.

Blanchard said the payment deferrals, a device employed last year by former Governor William G. Milliken when the state ran short of cash, could turn out to be cuts.

The hiring freeze will cap state employment at about 59,500 and Blanchard said he does not expect that level to be exceeded during his tenure as governor.

"I want to make it plain that it is my firm conviction that we cannot solve our budget crisis without further reductions in the total number of state employees," Blanchard said.

**CO-OP STUDENTS MEET COMPUTER**—Barbara Feby, of Grayling, introduced her personal micro-computer to three classes of Grayling Co-Op Nursery students last week at her home. Feby explained some of the work computers can perform for persons and let the three and four year olds play some simple games with her micro-computer.

## Volleyballers Sweep Boyne; 4-0 in League

Using spiking power from Jenny Riker, Kathy Worden, and Melissa McEvers, Grayling took two matches from Boyne City to stay tied for the lead at 4-0 in the Michigan Huron Shores Conference.

Grayling took every game winning 15-5 and 15-9 in the first match and 15-6 and 15-2 to capture the second match.

Riker led the team with 10 good spikes - three for aces. Worden hit 7 good spikes and McEvers hit 5 as the entire team had an 85 percent success rate on spike attempts.

Ikuo Inoue and Wendy Savallisch again provided solid floor play pushing Grayling's overall record to 6-1 in head-to-head play.

Coach Becky Brown said besides improving their spiking, her team served well, moved well offensively, and backed up each other.

For the fifth straight match all 13 girls on the squad played.

Against Gaylord St. Mary's earlier in the week, Grayling split, winning the first two out of three matches but losing the second.

Brown said Grayling struggled against Gaylord's unorthodox and unpredictable style. And, except for Riker who hit 18/21 on spikes, their power game

was off its mark.

Grayling won 15-13, 11-15, 15-11 in the first match and then lost 7-15, 15-8, 10-15.

"We hit 26 spikes into the net giving them 20 points," Brown said.

Not only was their spiking off but they didn't try enough spikes, Brown said. Grayling tried only 83 spikes while bumping the ball 579 times. A ratio most coaches would like to see is close to two bumps for every spike.

Brown said Shelly Trenary played an all around solid game despite the loss.

The J.V. squad took both Boyne and Gaylord St. Mary's to even their record at 2-2 for the season.

Against Boyne, Grayling won 15-4, 15-2, 15-8 with Audra Small and Beth

Bedard leading the way.

Against Gaylord St. Mary's the J.V.'s won the deciding third game 15-11 after winning 15-5 and losing 4-15 in the first two. Tammy Moore, Dawn Phelps, Piper Ostrowski, Shelly Jensen, and Beth Bedard played well for Grayling.

## Middle School News

### Journalism Class

The first semester journalism class completed the second issue of *In The Middle*. January sales topped the Dec. sales. Students enjoyed laying out the paper on "dummy sheets" and collecting high school graduation pictures of teachers for "The Page" section of the paper. This concludes publications for the first semester's class. Both Mrs. Mesack and the students are pleased with the results of Grayling Middle School's first journalism class.

### English Class

Eighth grade English class in Mrs. Mesack's room is working on review study sheets for the first semester exam. The exam will include grammar, literature, and writing. Completing the study sheet has taken ten days and has produced a lot of surprises about how much has been learned since September.

### Special Olympics

On Thursday, Feb. 3rd, Mrs. Dorothy Stinehour's and Gayle Mills' Special Education classes will be attending the Special Olympics at Hanson Hills.

Students will be showboating, cross country skiing, tubing, sledding, and skating. They will be competing with other C.O.O.R. area special education students in the following events: snow hockey, tug of war, and snow shoe relay. The public is welcome to attend.

### Report Cards

All report cards for students will be mailed out on Friday, January 28th. Students will not be allowed to carry home their report cards.

### Rapid Growth

Florida's population of about 10 million continues to increase rapidly; new residents arrive at the rate of 4,000 a week, National Geographic says.

The following persons appeared in 83rd District Court before Judge Francis L. Walsh:

Keith Nowlin, 18, of Grayling, demanded preliminary examination to a charge of breaking and entering an automobile.

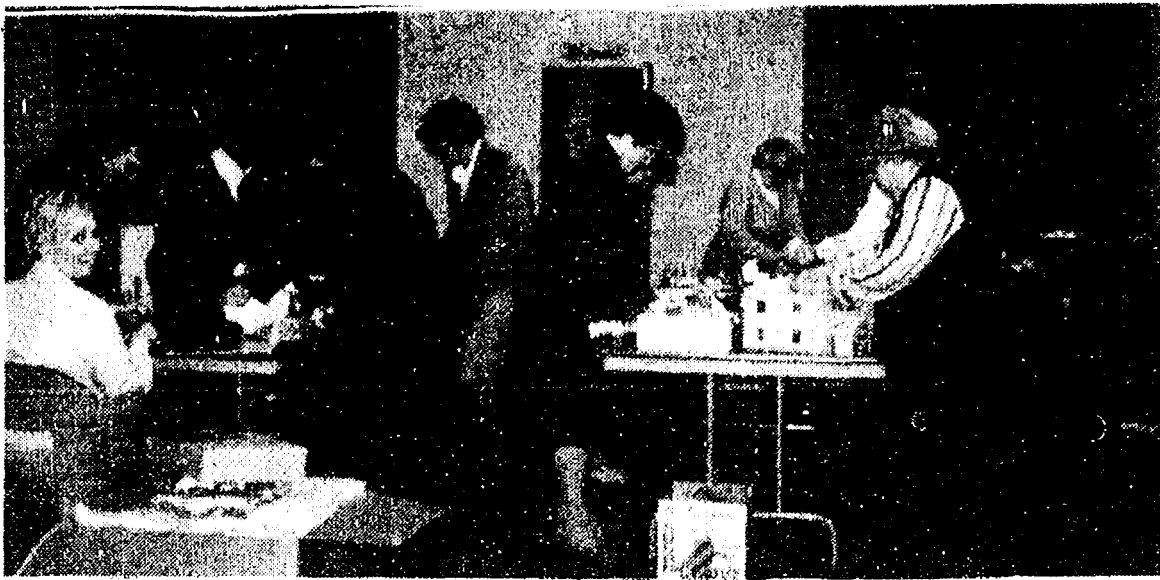

Harry Argue, 17, of Grayling, pleaded guilty to a charge of malicious destruction of property valued at \$100 or less. He was placed on probation for one year. He was cited Sept. 15 following a citizen complaint.

Ross Wuepper, 24, of Grayling, pleaded guilty to a charge of disorderly person by intoxication and creating a disturbance in a public place. He was fined \$85 or 10 days. He was cited Dec. 10 following a citizen complaint.

William Teubert, 29, of Roscommon, pleaded guilty to a charge of impaired driving and was fined \$255 or 14 days. He was cited June 27 by sheriff deputies.

Kelly LaMotte, 22, of Grayling, pleaded guilty to a charge of D.U.I.L. and was fined \$305 or 30 days and her license is suspended for 90 days. She was cited Feb. 11 by sheriff deputies.

## BPW Pass Out Xmas Baskets

BY Judy Craft

Grayling Business and Professional Women sponsors of the Crawford County Community Services wish to express their appreciation to all the organizations and individuals for their support and contributions to the food baskets. One hundred eleven families received food baskets including 125

chickens and 16 turkeys. Two hundred fifty children received pajamas, hats, mittens, and toys or games. The RSVP made the pajamas, hats, mittens, and the wood toys and blocks.

The Kiwanis have delivered these baskets since the beginning, when the Grayling Women's Club

gave out Christmas baskets. In 1968, it was reorganized as Crawford County Community Services under the leadership of Marcella Holcomb and Patricia Fowler. Their first year, they had about fifteen families. The Grayling Business and Professional Women took over the sponsorship six years ago.

## Grayling Skiers Wipe Out Foes in 2nd Win

Despite poor snow conditions that have delayed and hampered practice sessions, Grayling boys ski team started off their season in a blaze winning their second meet in a row last Wednesday with a victory at Schuss Mountain over three other teams.

Led by Alan Weiss, Dave Martella, and Pete Huss, the boys total points were 42 beating out Charlevoix with 58, Kalkaska 90, and Bellaire 121.

The girls took first in the giant slalom and placed third in the slalom to finish in third overall. Charlevoix had 56, Bellaire 61, Grayling 62, and Kalkaska 125.

For the boys, Alan Weiss took first in the giant slalom

and 5th in the slalom. Dave Martella took second in the slalom and 5th in the giant slalom. Huss took third in the giant slalom and third in the slalom.

Mark Gust finished 8th and 15th, Riley McNamara finished 10th and 23rd, Kevin Reynolds finished 15th in slalom and Greg Welsch placed 17th in giant slalom.

The girls were led by Heidi Bendig with a 3rd in slalom and 7th in giant slalom. Heidi Derenzy finished 3rd in

giant slalom and 17th in slalom. Kris Laudenslager took 2nd in giant slalom and 20th in slalom.

Carol Longworth took a 5th and 20th, Kris Casler took 10th and 16th, and Madelyn Thomas took a 16th and 19th.

The Vikings will ski against the 1982 state champions at Petoskey Wednesday, Jan. 26, at Nubs Nob.

The boys won their first meet at Shanty Creek Jan. 14 beating out four other teams. The girls placed 2nd in their first opening meet of the season.

### Doodles From The Tall Timber

Wendell L. Hoover  
Park Interpreter

This period of relatively tranquil weather has been a Godsend to us. Normally by this time we are somewhat restricted as to the type of projects that can be carried out. For example, the ski trail has been mowed with a brush hog which should benefit the early cross-country skiers. The old toilet building has been razed, with only the foundation yet to be removed. This building constructed in 1931 was used for fifty years and was becoming increasingly difficult to maintain. The moderate temperatures have been helpful where work inside the Interpretive Center is concerned. There is no way to heat that high-roofed building, but there has been work started, with some completed, and still more will continue between other more immediate tasks such as aiding skiers, registering campers, and snow removal. The three dimensional map has been completely reworked, and the crew is in the process of replacing worn stair treads. This is a difficult task because of the log construction. When the weather gets really foul, we have fifty or so picnic tables to refinish and reassemble. There are numerous other small projects which must be taken care of before the summer season arrives. They are not major projects, but they will ease the maintenance and make the visitor's stay more pleasant.

## Grayling Wins 70-69 Over Benzie Central

Mike Hickey scored 20 points but the last two - a pair of free throws in the last minute - were the most important as Grayling topped Benzie Central 70-69.

Hickey enjoyed a hot shooting night going 6/6 from the line and 7/14 from the floor to lead the Vikings. Jim Stewart hit for 18, Wayne scored 12, and Ryan Morford tossed in 11 points as four Vikings reached double figures.

Ken Lademan gave Grayling a lift coming off the bench and hitting two big first half baskets and free throw in the second half. Paul Hamlin added three points and Jon Nicholas, a sophomore recently brought up from the junior varsity, scored one.

Grayling started slow as usual and got behind Benzie 17-10 after the first quarter. The Vikings fought back to a 32-28 deficit and stayed even with Benzie through the third quarter to again trail

by four at the end of three stanzas.

Grayling finally broke losses in the final period outscoring Benzie 26-21.

"I thought we played a good physical game underneath with Benzie and we took advantage of their mistakes at the end," said head coach Butch Hayes.

He said his club, one of the best conditioned teams he's ever had, wore down Benzie in the fourth period.

The win moved Grayling to 4-5 overall. For Benzie it was another one-point loss in a season in which close losses have plagued the traditionally tough class C team.

Returning to league action last Friday, Grayling dropped a 67-60 decision to Petoskey.

Grayling started out slowly again falling behind 19-14 after one quarter. They tied the game at halftime 33-33 and were only behind one point at the end of the third

quarter. Then Petoskey went ahead and managed to use a lot of time up with good ball-handling.

Hayes said the positive points about the game were the good balanced scoring from Grayling. He said the Viking's inside game has improved with Ross and Hamlin and Grayling's outside game has improved with Stewart hitting shots from the perimeter.

Stewart hit for 16 followed by Hamlin with 14, Ross 12, Morford 8, Hickey 6, Bob Keene 2, and Nicholas 2.

Ross grabbed 17 rebounds again, Morford hauled down 12, Hamlin 11, and Stewart had 10.

Against Benzie, Ross brought down 17 rebounds and Morford helped with 12.

The Vikings took on Roscommon Tuesday night and travel to Boyne City Friday.

The Grayling Junior varsity lost two more games to continue their eight game losing streak.

Correspondence from Sister Mary Hilda Duffy, RSM of Mercy Hospital was received submitting a contribution of \$2500.00 toward the new ambulance. Kitchen briefed the Board on the meeting with Sister Hilda on several matters.

Announcement of the 1983 Legislative Workshop of MAC was received. Members planning to attend said workshop in Lansing were reminded to submit their registration cards to the Clerk so fees and reservations could be made. Kitchen, Harland, Mattis, Miller, Welsner, and Joyce indicated they intended to attend.

Kitchen made the following committee appointments: NEMCOG: Mattis - Delegate and Kitchen - Alternate

Manpower Consortium: Joyce - Delegate and Neilson - Alternate

Mich. Northern Counties: Harland - Delegate and Mattis - Alternate

Insurance: Miller - Chairperson and Neilson - Member

A vacancy on the Zoning Board of Appeals was discussed. As an appeal is pending, the necessity to fill this appointment is urgent. Board policy on advertisement for interest was reviewed.

MOTION by Miller, second by Neilson, to appoint William Rutter Sr. to the Zoning Board of Appeals for the unexpired term of Chester Fijolek - 1-4-84. Roll Call: Miller - aye, Neilson - aye, Mattis - aye, Joyce - aye, Harland - aye, Welsner - nay, Kitchen - aye, motion carried.

MOTION by Welsner, second by Harland, to advertise for interest whenever terms expire or a vacancy occurs. Ayes (7) seven, nays (0) none, absent (0) none, motion carried.

Miller submitted for review the Sanitary Landfill Agreement for Crawford and Otsego Counties. Said agreement has been executed by Otsego County and was referred to the Assistant Prosecutor for review.

Meeting recessed for 5 minutes.

Kitchen continued with the following committee appointments:

DPW: Miller - Chairperson and Welsner - Member

Miller reported on the operation of the landfill and requested the Boards consent to travel to neighboring counties to visit and assess their land fill operations. No objection was raised. Concern of members serving on the Landfill Board was raised by Miller and will be pursued. A Quotation Request for Services was received from the Road Commission and will be submitted to the Mich. Dept. of Transportation.

Sheriff White met to request consideration for a LIEN System for his Dept. Agreement to share the cost equally was received by the City Council and Camp Grayling. Total cost is

\$4877.00 including a one time installation fee. A \$900.00 yearly expenditure for a hot line with Grayling will be determined. This system will save time and provide safety for patrolmen.

MOTION by Mattis, second by Joyce, to authorize the Sheriff to enter into an agreement with Michigan Law Enforcement Information Network for installation of said system and authorize payment of one-third of the cost. Roll call: Mattis - aye, Joyce - aye, Neilson - aye, Harland - aye, Welsner - aye, Miller - aye, Kitchen - aye, motion carried.

Sheriff White reported the Animal Control Officer would be off work from six to eight weeks yet. The part time employee in that Dept. is certified to perform the duties.

MOTION by Joyce, second by Harland, to hire Pat Hettinger as Animal Control Officer for a period not to exceed 60 days, renewal at the County's option if necessary, at the rate of \$4.82 per hour with a letter of understanding of said agreement attached as an addendum to the present contract. Said position is a 40 hour work week. Roll call: Joyce - aye, Harland - aye, Welsner - aye, Miller - aye, Neilson - aye, Mattis - aye, Kitchen - aye, motion carried.

Sheriff White indicated after reviewing the information received to expand hospital insurance coverage for the cooks, he felt an increase in hourly rates might be the best way to compensate them for the irregular schedule they work. The issue was referred to the Law Enforcement Committee. The patrol car recently wrecked was totaled out at approximately \$5,000.00.

Public Hearings on Federal Revenue Sharing Funds were discussed.

MOTION by Harland, second by Joyce, to set the Proposed Use Hearing on February 8 at 2:00 p.m. in conjunction with the regular meeting. Ayes (7) seven, nays (0) none, absent (0) none, motion carried.

MOTION by Mattis, second by Miller, to set the Proposed Budget Hearing on February 24 at 2:30 p.m. in conjunction with the regular meeting. Ayes (7) seven, nays (0) none, absent (0) none, motion carried.

A request from REVP to use the copy machine in preparation of a grant for approximately 250 copies was received.

MOTION by Harland, second by Miller, to allow said use of the copy machine by REVP on a one time basis only to prepare the grant application of 250 copies. Ayes (6) six, nays (1) one, absent (0) none, motion carried.

Sheriff White reported he can obtain a used car to replace the one recently wrecked for \$5800.00.

MOTION by Miller, second by Neilson, to authorize purchase of a car for \$5800.00 to replace the junked vehicle, said funds to be taken from vehicle purchase Animal Control Fund and the insurance settlement. Bid policy was questioned. Used vehicles for patrol cars are obtained more reasonably through negotiations. Roll Call: Miller - aye, Neilson - aye, Mattis - aye, Joyce - aye, Welsner - nay, Harland - aye, Kitchen - aye, motion carried.

A resolution adopted by Montcalm County withdrawing its membership to MAC as a result of denial for assistance in legal fees in a court issue was received.

MOTION by Harland, second by Mattis, not to support said resolution. Harland felt Montcalm County should have pursued seeking financial assistance by requesting donations from other counties rather than by withdrawing membership from MAC. Roll Call: Harland - aye, Mattis - aye, Neilson - aye, Joyce - aye, Welsner - aye, Miller - aye, Kitchen - aye, motion carried.

A resolution from Van Buren County relative to opposition to Phase II of the Court System Re-organization was received.

Status of summer tax collections for schools, part time help in the Animal Control Department, and calendar booklets from Dial-A-Ride were briefly discussed.

Mattis requested literature received in the Clerk's Office be sorted and put in Commissioner's folders by committee to save time at lengthy meetings. No objection was raised.

Joyce reported the entire county mapping project has been completed and Crawford is the first county with said project completed.

Kitchen reminded Members of the retirement party scheduled for Major Gen. John A. Johnston on January 20.

Welsner requested a key to the law library. Board policy is law library keys are issued to the Prosecutor's and Clerk's Offices only.

HB 4495 recently adopted as PA 344 of 1982 relative to printing of Board minutes was reviewed.

MOTION by Harland, second by Miller, to adopt Sec. c of said Act which allows publication of a report that the Board's minutes are completed and available in the Clerk's Office and will be mailed upon request. Publication costs would be reduced greatly.

MOTION by Miller, second by Welsner, to table said motion at this time. Ayes (7) seven, nays (0) none, absent (0) none, motion carried. Joyce will review cost with local newspaper.

Time table on proposed minutes and requirements of Open Meeting Act were reviewed. Blue Cross Blue Shield available to Commissioners was also reviewed. Effective Jan. 1 coverage for one subscriber will be picked up by the County. Spouse and/or family coverage is available by reimbursement.

Adjournment:

MOTION by Joyce, second by Harland, meeting be adjourned. (4:50 p.m.) Ayes (7) seven, nays (0) none, absent (0) none, motion carried.

## Bits O'Talk

by Fay Bovee

What a pleasure to be able to walk home on the sidewalks and how marvelous that the community has responded to the task of keeping the snow off so that children won't have to walk in the road. The entire length of Michigan Avenue has been cleared. Thank you, Grayling!

Fresh Flower Bouquet, \$4.75. Main Street Florals, 227 Michigan Ave. 348-7423.

This is not "strolling" but I do have to comment on the remodeling that is going on in the building directly behind Olson's. The Bisque and Brush have moved into new quarters there and the building looks very nice. Congratulations!

Did you know there's a new flower shop in town? Main Street Florals, 227 Michigan Ave. 348-7423.

Word from Florida from Marilyn Longworth is that she has moved the Image Maker, Inc., business into a new location in the Beacon Woods Professional Center on Financial Road in Bayonet Point, Florida and has been joined by a Beauty Salon and Florist in their own building. Good luck to you, Marilyn.

Mark Howes of Sequim, Washington, arrived before Christmas to visit the Don Sorensons and Marie. After their wedding Mark and Marie spent a week in Florida. They returned to Grayling to pack furniture and left on Monday for their new home in Sequim. Guests from out-of-town who were here for the wedding were Mark's brother, Bob Howe of

Washington, Mr. and Mrs. Addison Fales and son, Patrick, of Lansing, Barbara Keel and Becky Erwin of Lansing, John and Becky Sorenson and son, Benjamin, of Three Rivers, and Mr. and Mrs. Lewis Sorenson of Warren.

## RSVP Reports

Sherry Haag, Dir.

Welcome to news of the Retired Senior Volunteer Program. In continuing news of RSVP around the nation this week, I'll tell you more. In Seattle, Washington, a new program at the Center for Addiction Services, 24 senior citizens will be matched with 24 of the center's female clients who have drug abuse problems. The women are pregnant or recently had a child. In Broome Co., N.Y., RSVP Field Coordinator, Tony Bontempo says that a little bit of "PR" won't hurt, especially if it's the "celestial" variety. Bontempo refers to the recent commendation received from Pope John Paul II for RSVP volunteer service to the county. The papal citation was presented by local Bishop, Thomas Costello. Bontempo wrote to the Pope earlier this spring to alert him to the outstanding work of the volunteers in Broome County projects. Says Bontempo, "When you do volunteer work, you should let people praise you."

Operation Identification is a new project RSVP is starting here in Crawford Co. Volunteers are available to mark your valuables with your social security number. According to the Sheriff Dept., valuables that are marked are a deterrent to burglars, and if you do have articles stolen, your chances of having them returned are increased. If you'd like more information, or would like to make an appointment, please call 348-4341. There is no charge for this service.

We are also seeking persons interested in participating in a newly developed Living History Program. If you have skills, interests or experience you'd be interested in sharing, please call the RSVP office at 348-4341 or 348-8322.

Don't forget to save your old magazines and cards. The cards are recycled into note cards. The magazines are used for training aid scrapbooks for the COOR Intermediate Schools. The Special Olympic Weigh-In will be held February 4 & 5. Volunteers are needed to aid in this program. If you'd like to help, please give us a call.

## Alcohol-Drug Abuse Workshops

Thurs., Jan. 27

"Diagnosis and Assessment of Chemical Dependency", a one-day workshop in alcohol and drug abuse will be offered by Community, Family & Children Services, Thursday, January 27th, from 9:00 a.m. to 4:00 p.m. at the North Central Michigan Mental Health Services Office at 802 Ingham in Grayling.

Mr. Alan Bethea, Alcohol and Drug Counselor with Community, Family & Children Services will conduct the workshop. Bethea has been counseling and instructing Alcohol Highway Safety Classes in Grayling for a number of years.

"We want to raise the consciousness and understanding of chemical dependency as well as provide means and methods for intervention and referrals," says Bethea who conducted a similar training for community service personnel in Grayling last year.

Bethea has done previous workshops with various clergy groups as well as the Co-operative Extension Services.

Next Thursday's workshop is free. People planning to attend are asked to call 348-8522 and make a reservation.

## Rotary Names Scholarships

The Grayling Rotary Club Scholarship Committee has announced its awards for 1982-83.

Alicia Taylor has been granted a \$500 scholarship, Jeanette Wieland and Holly Nunn received \$250 grants.

According to John Sojka, chairman of the committee, the club usually gives two \$500 awards but the two girls were so identical in their qualifications that the scholarship was split between them.

## Attend the Church of Your Choice

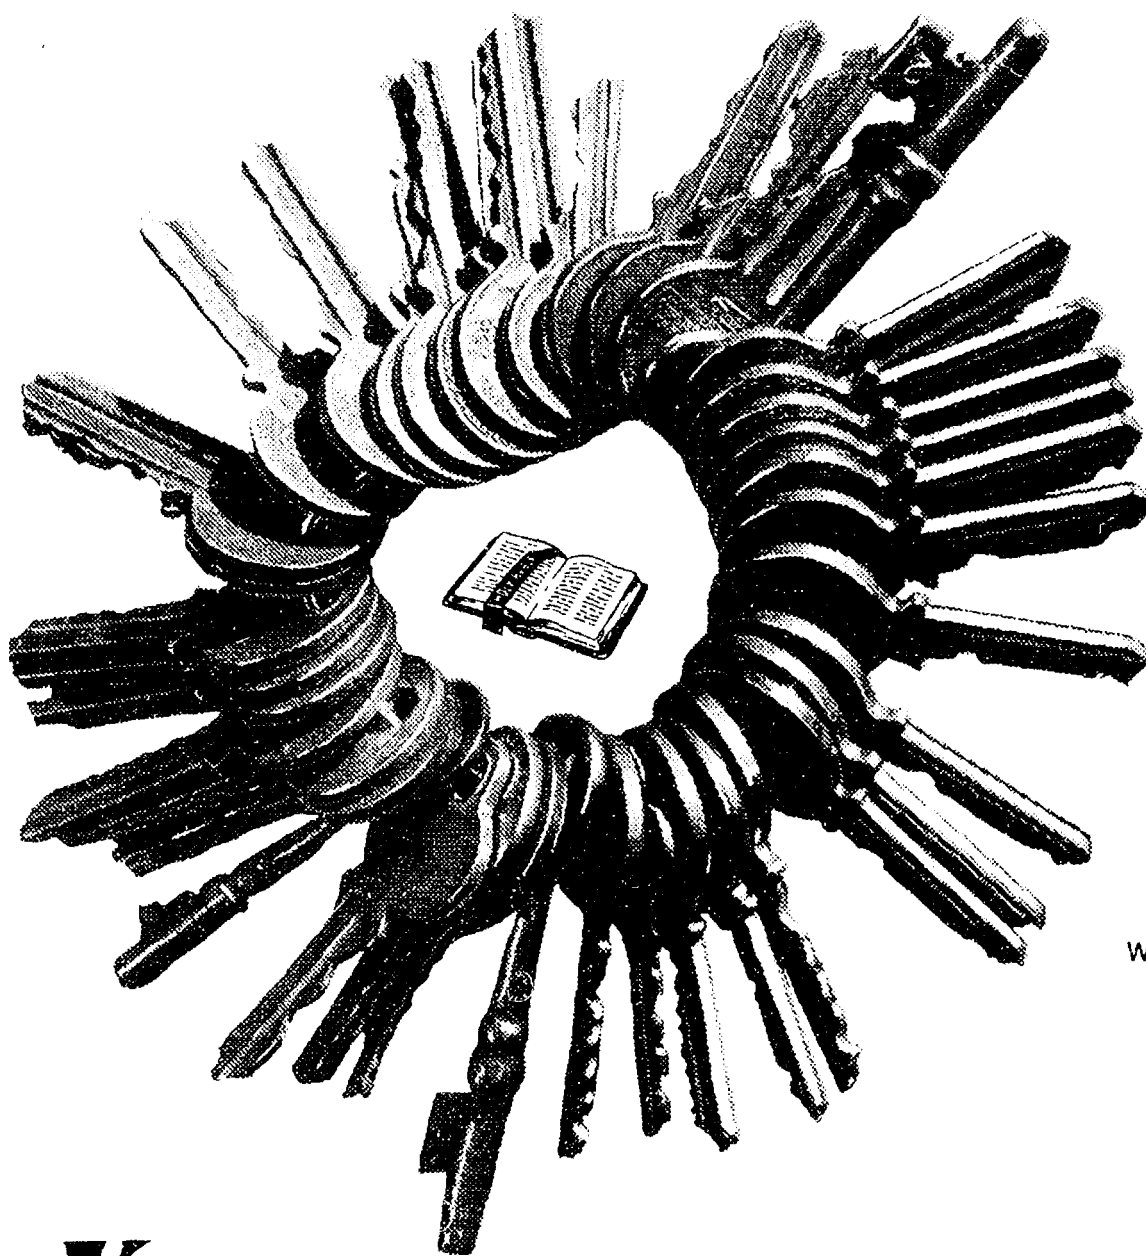

Suppose you were given the keys that would unlock the mysteries of the universe. With them, you could answer the "whys" that plague all of us. You'd know what was going to happen to you and those around you tomorrow—next month—next year.

Would you use them?

Of course, you say! Think again. And, once you've thought, you might shake your head, hand them back, and say, "No thank you."

Common sense tells us that man was not meant to understand every mystery of life. The reasons "why" remain as they are because our Creator and His wisdom thoroughly knows just how much man can both stand and understand.

God has a greater gift for you than these, or any other keys... the gift of Faith. You will find it by worshipping regularly.

## Jr. Pro Benefit Game Jan. 29

The Jr. Pro coaches will take on the Deputy Sheriff Association in a fundraising game Saturday, Jan. 29, at the Grayling Middle School gym beginning at 7 p.m.

Tickets are 50 cents for children, \$1 for adults at the door. Jr. Pro players will be admitted free.

At the game, drawings for a Jr. Pro fundraiser will be held for 25 - \$10 gift certificates and a grand prize of a cross-country ski package donated by Hanson Hills.

## Assembly of God To Present Film

The Grayling Assembly of God, 911 Elm St., will be showing a film, "Troubled Waters" on Saturday evening, January 29th, at 7 p.m.

This film tells the story of a young man who had not given any thought to God until he travelled a swift canyon river and was confronted with the beauties of nature.

The service will be especially for young people and everyone is invited to attend. The showing is free.

# Matmen Take 2nd at Ithaca

Grayling, behind first place finishes by Steve Sauve, John Solomonson, and Dan Meldrum, took second in the 16-team Ithaca Invitational last Saturday.

Sauve improved his record to 26-0 in taking first place. Solomonson upped his record to 24-1, and Meldrum moved his to 20-5 for the season.

Taking second at the tournament were Tim Moore and Jim Piper. Barsie Cross placed third, Lacey Stephan took fifth, and Ron Wyman and Tom Sorenson also took fifth.

Grayling finished behind Shepard for their fifth first or second place trophy this year.

Grayling takes on Boyne City and Kalkaska Wednesday night here in a match originally scheduled for Thursday night. The double dual at the Grayling High School will also be Parent's Night for the wrestlers.

The Vikings matmen suffered their first league loss of the year last Thursday when they traveled to Petoskey. The Northmen avenged last year's loss to Grayling.

**FRESH FLOWERS FOR ALL OCCASIONS**

**EVERYTHING FOR THE BATH. Laura's Bath Shoppe**

Dear Friend,  
In October I opened Main Street Florals together with Laura's Bath Shoppe in the credit union building.

Main Street Florals has fresh cut flowers for all of your flower needs; birthday bouquets, weddings, anniversary gifts and funeral arrangements. We can furnish you with lovely fresh cut flowers for any occasions. We always have a weekly flower special; for under \$5.00 you can buy a beautiful bunch of mixed fresh cut flowers. For your convenience we also have a wire service and can send flowers anywhere in the United States. We do deliver locally and have free delivery to the hospital and funeral home.

Feel free to stop in and browse around. Cut out the coupon below and receive 20% off any flower or plant purchase.

Sincerely,  
Laura Schans

# THE \$25000 ALTERNATIVES TO WALL STREET

United Federal Savings can now offer the high rate of an investment-savings account coupled with the ease of checking. And unlike Wall Street Funds, deposits at United Federal are insured to \$100,000 by the FDIC. With 60 statewide offices located where you work and live, its

always convenient to bank at UFS. The money deposited at United Federal is put to work in the communities we serve, while Wall Street Funds are swept off to New York providing little recovery for Michigan.

## SUPER CHECKING

For customers who prefer the simplicity of one account we offer Super Checking. It pays money market rates, provides unlimited checking, and can help manage all your liquid assets.

# 7%

- Convenience of one account
- Unlimited checkwriting
- No minimum check amount
- Unlimited deposits and withdrawals
- Transactions in any amount

Existing United Federal checking accounts will automatically convert to the Super Checking rate once the balance exceeds \$2500.

## CASH FUND

For customers who prefer to keep savings dollars separate from bill paying dollars, we offer the Cash Fund account. It pays a top market rate on your savings dollars and, if combined with a checking account, can accommodate bill payments as well.

# 8% or 8.5%

\$2500 - \$19,999

\$20,000 or more

- Three checks per month
- Transactions in any amount
- Unlimited deposits and withdrawals
- 5 1/4 % interest-earning checking available for bill payments

United Federal also offers a number of checking and savings plans to suit most needs. Stop by a UFS office soon for more details on any of these programs.
